

SYC Summer Program 2021

DROP OFF & PICK UP PROCEDURES

Drop Off

- Arrive ON TIME and abide by the following steps.
- Parents/Guardians must take the temperature of their camp participant(s) before arriving at the club.
- Parents/Guardians are asked to remain in their vehicles.
- **Participants must arrive dressed and ready to sail.**
- Once you arrive at the club, a sailing instructor will sign you in and record participants' temperature. Do not leave your vehicle until checked in by an instructor.
- Participants may then put on their face covering, leave the vehicle, and go to the hand washing station designated for their class.
- Participants will then make their way to their designated classroom space and wait for further instructions.
- If you arrive late you will be asked to wait in the parking lot until checked in by a sailing instructor.

Pick Up

- Arrive ON TIME and abide by the following steps.
- Parents/Guardians are asked to remain in their vehicles.
- Instructors will bring the entire class out to the parking lot after they have washed their hands.
- **Showers cannot be used at the end of day, but bathrooms can be used for changing with limited numbers allowed in bathrooms at once.**
- Instructors will record and check out each participant for the day.
- If a parent/guardian is late for pick up please call the Youth Sailing Director.

*If your child will be riding a bike or walking themselves to camp you are required to notify the Youth Sailing Director via email. The participants' temperature will be taken once they arrive on sight.

Thank you in advance for your assistance in following these guidelines!
